PREMIUM series

Improve your home's appearance and energy efficiency with a Clopay Premium Series insulated garage door. Available with Intellicore® polyurethane or polystyrene insulation in 2" or 1-3/8" thicknesses, Premium Series models offer exceptional insulating R-values, strength and security, as well as quiet operation and a beautiful appearance. Choose from two panel styles, multiple color options and a wide range of decorative window options to create a door that fits your budget and enhances your home's curb appeal.

3-LAYER CONSTRUCTION

2" or 1-3/8" insulation provides comfort, energy efficiency and superior R-values in every season.

- Weathertight tongue-and-groove section joints help seal out wind, rain and snow.
- Replaceable bottom weatherseal in a rust-proof aluminum retainer helps prevent elements from entering garage.
- Patented Safe-T-Bracket® helps prevent serious injury that could occur if the bottom bracket were removed with the garage door closed and under tension.
- Nylon rollers are smooth and quiet.
- Galvanized steel hinges attached to backup plates are durable, reliable and secure.
- Prepainted white end stiles and interior steel backing create a clean, finished appearance.
- Inside/outside step plates and grip handles make doors easy and safe to operate.

intellicore®

insulation technology

Premium Series garage doors featuring Intellicore® insulation technology represent the ultimate smart choice for homeowners. Clopay's Intellicore is a proprietary polyurethane foam that is injected into our Premium Series doors, expanding to fill the entire structure. The result is a door with incredible strength and durability. Its dense insulation also produces a quieter door, and with one of the industry's leading R-values of 18.4, it provides year-round comfort and improved energy efficiency.

WARMER

Energy efficiency provides year-round comfort

QUIETER

Dense insulation reduces noise by up to 16 decibels

STRONGER

Enhanced strength resists everyday wear and tear

A FOCUS ON *green*

Clopay is committed to designing, manufacturing and distributing garage doors that enhance the beauty, safety and value of your home while minimizing the impact on the environment.

The Premium Series helps conserve natural resources by providing a durable, reliable, low-maintenance, energy efficient door with environmentally safe insulation. Steel doors and hardware are impervious to moisture and will not rot, warp, crack or fade, and the steel used in Clopay's doors is made from over 75% recycled content. All Clopay doors are made in the U.S., minimizing shipping, damage and handling. For more details on Clopay's green practices, visit our website at clopaydoor.com/green.aspx

Windows

Inspired by current architectural trends, our windows add natural light to your garage while adding curb appeal to your home. All Clopay window frames are UV-protected and are color matched to our prefinished door colors. Window frames screw in from the inside for easy glass replacement or to change designs.
